About us

Nnek Group is a company that specializes in the importation and sale of high-quality building materials for structural, residential and commercial use. We deal mainly in tiles, security doors and accessories, plumbing materials and accessories, granite, and so on. Our stock comprises a wide variety of modern, high-quality, highly-aesthetic products sufficient to meet the demands of the Nigerian building and construction industry. Over the years, we have built for ourselves a solid reputation and have become the point of reference when it comes to quality, credibility, availability, durability and affordability.

Corporate History

Nnek Group started out in 1995 as a retailer in the Nigerian tiles and building material industry. After seven years of operation, we ventured into importation. Over the years, we have evolved to become the leading importer of tiles from Spain and Italy. We also ventured into the business of security doors, importing mainly from Turkey. Our current campaign is geared towards meeting the needs of consumers directly by offering them the lowest possible prices obtainable in the Nigerian market.

Vision

To provide consumers with first-rate, highly-aesthetic tiles and security doors that suit their needs and satisfy the demands of the constantly evolving building and construction industry.

Mission

To make available to all consumers first-rate and high-aesthetic tiles and security doors at the lowest possible prices for all manners of application and use, be it residential, commercial, or structural.

Our Products

Tiles

Our tiles are first-rate and assorted. Our stocks contain a wide variety of designs to give our clients a wide range of options. Our tiles are well suited for residential and commercial uses, for interiors and exteriors, for floors and walls, and other related construction or renovation purposes. Our categories include ceramic tiles, vitrified tiles, porcelain tiles, full-bodied porcelain tiles, porcelain 3D finished tiles and so on. Our products are imported from the best factories Italy and Spain and are available in many unique colours, finishes, and patterns. We also import good quality tiles from China. Our wide range of tiles present the best possible choices for the construction of houses, shopping malls, airports, national monuments, religious buildings, cafeterias, banking halls, corporate office buildings, hospitals, schools and universities buildings, hotels, service stations and so on.

A wide variety of tile designs available in various shapes, colours and sizes.

Categories include ceramic tiles, porcelain tiles, full-bodied porcelain tiles, porcelain 3D finished tiles, vitrified tiles and so on.

Our Products

Security Doors

We offer a wide variety of security doors that are well suited for both internal and external use. Our doors are purchased from the best factories in Turkey and are known to withstand breakage, rust and adverse weather conditions. We have a wide variety of doors that are well suited for the Nigerian climate. Our categories include wooden doors with metal finish, laminated doors with metal finish, PVC wooden doors, special doors for internal and external use, executive doors for mansions and villas, solid doors, steel doors and so on.

Our Core Values

Quality

Our greatest strength lies in the quality of our products. We offer highly durable, non-fading ceramic tiles that are well suited for both interior and exterior purposes. We never compromise on standard—our tiles are gotten from the best factories in Italy and Spain and our security doors are gotten from the best factories in Turkey.

Integrity

We not only offer best-quality tiles, we also offer our clients complete guidance regarding design selection and prices. Customer satisfaction is our top priority, and all who patronize us are guaranteed 100% quality assurance.

Availability

Our warehouses are well stocked with high-quality tiles that are available year in year out. We have an impressive assortment of new and innovative designs, with each designs having a code number for easy selection and ordering.

Affordability

Our prices are the best as far as Nigeria is concerned. We offer great value for money. We give quantity without playing down on quality. This is also in line with our current campaign, which is to provide end users with high-quality tiles at the most affordable prices available in the country

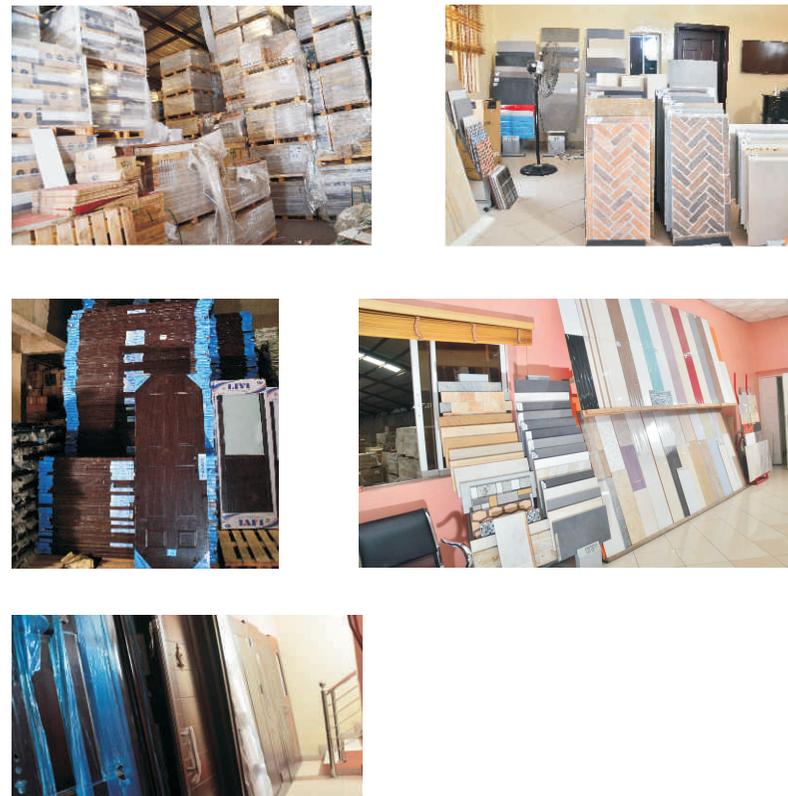

Durability

Our products are capable of withstanding abrasion, breakage and rusting which are due to harsh weather conditions.

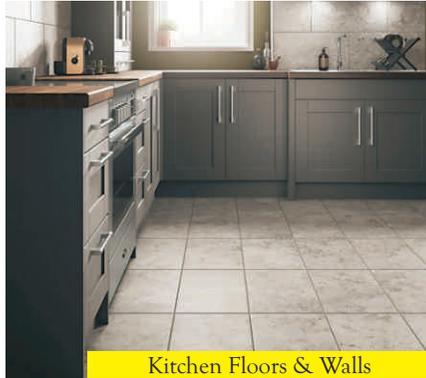

Our Unbeatable Offer

Over the years, our company has been known among retailers; but now we are coming straight to end-users—building contractors, business owners, home owners, hospitals, schools etc.
